

This is the base styling description Only differences are designed on non-home page markups

The following diagram illustrates the base styling description for the SpacePark website, with specific design changes highlighted for non-home page markups.

Header: The header includes a main logo (``) with a 10px left margin, a search area (`<div id="searchArea">`) with a 10px top margin, and a top info bar (`<div id="topInfo">`) containing a search placeholder ("Search...") and a search button. The header also features a navigation menu with items like "Discover", "Tickets", "Attractions", "Plan your visit", and "Frequently Asked Questions".

Main Home Page: The main page features a banner with "Operating Hours" and "Transportation" sections. Below the banner, there are sections for "About SpacePark" (Location), "Our Attractions" (Attractions Map), and "Plan your visit" (Food, Accommodation, Disabilities). A cookie consent bar at the bottom asks if visitors collect cookies, with "Disagree" and "Agree" buttons.

About SpacePark Section: This section contains a heading "About SpacePark" with a 60px margin, a 500x300px image, and a 20px margin below it. The content area has a 20px margin.

Tickets Section: This section contains a heading "Tickets" with a 60px margin, a 500x300px image, and a 20px margin below it. It features a table for ticket types (Regular, Children, Family pass, Senior, Groups) with a 20px margin.

Frequently Asked Questions: This section contains a heading "Frequently Asked Questions" with a 60px margin, a 500x300px image, and a 20px margin below it. It lists four questions: "Can I bring my own food?", "Can I bring my own food?", "Can I bring my own food?", and "Can I bring my own food?".

Footer: The footer contains links to various pages like "About SpacePark", "Our Attractions", "Attractions map", "Transportation", "Food", "Accommodation", and "Disabilities". It also includes social media icons for Facebook, Twitter, YouTube, Instagram, Google+, Pinterest, LinkedIn, and Snapchat. A copyright note at the bottom states "All rights Reserved @ 2021 SpacePark Corporation".

Styling: The styling includes various CSS rules for colors, fonts, and layout. For example, the "Discover" button is purple with white text, and the "Plan your visit" section has a purple background with white text. The footer social media icons are represented by images with specific widths and heights.
